**ITEM DESCRIPTION/SPECIFICATION**

The Anywhere Case is an agile work tool that allows you to work more effectively in different working environments or locations. It provides a personal area to organise your desk top efficiently, especially in shared working environments which focus on activity based working. It is a compact and lightweight solution, ideal for carrying work essentials from locker to desk, and desk to meeting room. Perfectly proportioned, Anywhere Case is small enough for some essentials, but not too big to become a case for everything.
