SECTION A – SEATING

ITEM DESCRIPTION/SPECIFICATION

- Seat slide
- High back
- Height adjustable back
- Back rake mechanism
- Fixed arms
- Black finish
- Five star black plastic castor base (63cm diameter)
- 5cm twin wheel hooded polyamide castors
- Black outer support cylinder with 12cm of adjustment
- Suitable for users up to 150kgs
- Back angle adjustment (range of adjustment 300)
- Upholstered seat pad, Combustion Modified High
- Resilience (CMHR) cold cure foam with pre formed laminated birch inner wood and black polypropylene under seat.

DIMENSIONS

Back height: 520mm – 570mm
 Seat height: 420mm – 530mm
 Seat depth: 430mm
 Depth: 550mm
 Back width: 420mm
 Overall width: 620mm

ITEM DESCRIPTION/SPECIFICATION

DIMENSIONS

Electrical sit/stand desks with MFC top

1400mm x 800mm x 60mm – 1350mm

- Single desks
- Compatible with other specified desking
- Electric height adjustment (fixed height and height settable desks also available and can be upgraded over time as budget allows)
- Electrics feed up from floor attached cable slinky
- Screens available
- Compatible with monitor arms, Compatible with acoustic screens
- Tactile up-down control switch
- Free software available to allow users to track height preferences, monitor calories burnt and prompt the user to stand (requires cable)
- Integrated anti-collision sensor minimizes the risk of damage to property
- All metal steel construction
- Lifting columns have a sound level below 55dB(A)
- Battery available giving the flexibility to move everywhere
- Wire basket with 2 Cable outlets

FABRIC/FINISH DETAILS

Tops (MFC): Oak, Maple, Beech, Romano Cherry, Walnut, White or Grey
 Frame: White, Silver (RAL9006) or Black

ITEM DESCRIPTION/SPECIFICATION

- Humidifier
- Auto Hygrosat sensor automatically regulates mist output according to desired humidity level.
- Water Tank Illumination allows to check the water level. Features a timer option within the range of 1-12 hours.
- Virtually silent operation with Adjustable amount of releasing cool mist and double sprayer. High moisture output can quickly humidify a room up to 40m²(430ft²).
- Automatically shuts off when desired humidity level is reached or when unit is empty. Large capacity water tank (4.5L) refills with normal tap water.
- Advanced digital technology can produce the cool mist, instant relaxing aromatherapy, providing a restful sleep.
